Expected MLEM image after 200 iterations based on 40 noise realisations

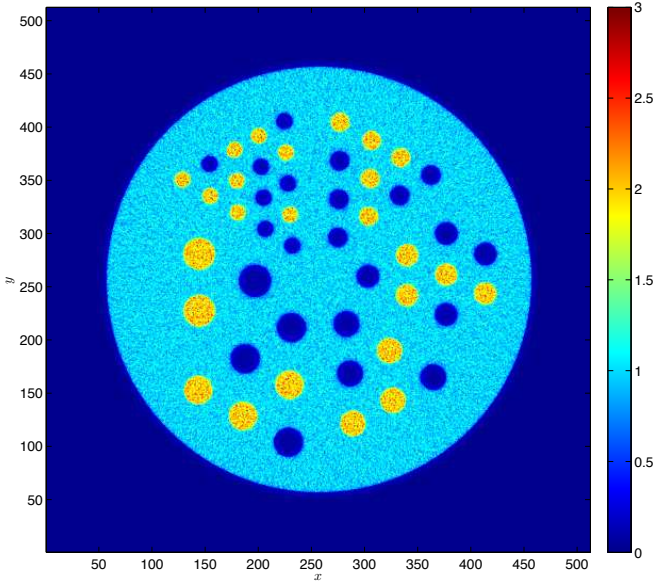

Bias MLEM image after 200 iterations based on 40 noise realisations

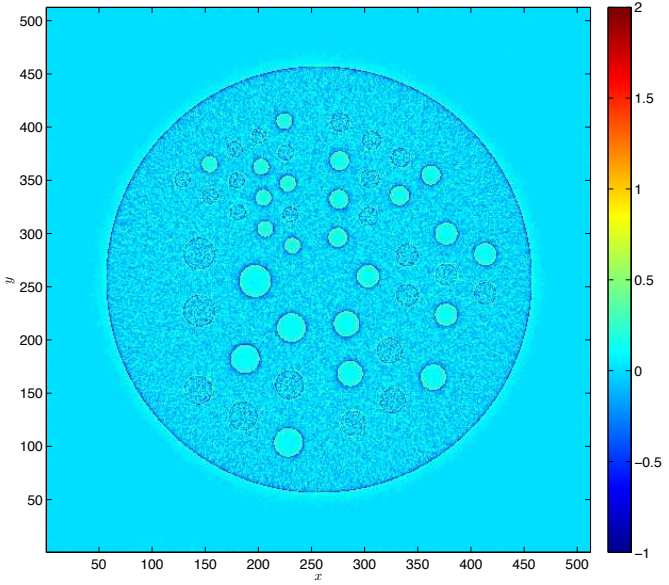

Variance MLEM image after 200 iterations based on 40 noise realisations

Expected ISRA image after 200 iterations based on 40 noise realisations

Bias ISRA image after 200 iterations based on 40 noise realisations

Variance ISRA image after 200 iterations based on 40 noise realisations
