
Expected MLEM image after 2000 iterations based on 40 noise realisations
Bias MLEM image after 2000 iterations based on 40 noise realisations
Variance MLEM image after 2000 iterations based on 40 noise realisations
Expected ISRA image after 2000 iterations based on 40 noise realisations
Bias ISRA image after 2000 iterations based on 40 noise realisations
Variance ISRA image after 2000 iterations based on 40 noise realisations
